Seventeen Year Locusts Appear-
ing.

By Telegram to THE SENTINEL.

CHICAGO, May 18.—A special from
Bridgeport, Ill., says: "The seventeen
year locusts, which Professor Rilly pre-
dicted, seem to have made their first
appearance. They have been found in
large numbers close to the surface of
the ground and moving upward. The
indications are strong that an unusually
large swarm will appear in a short time."

Lynched by a Mob.

By Telegram to THE SENTINEL.

LYNCHBURG, Va., May 18.—The ex-
citement caused by the unprovoked
murder of T. A. Jester by H. W. Terry,
at Liberty, Saturday received fresh im-
pulse at the funeral of Jester, and at
2 o'clock this morning a party of twenty
disguised men gained possession of the
jail by force and hanged the murderer.
Jester was the most popular man in the
county and his funeral yesterday was
very largely attended. Terry was a son
of W. R. Terry, a prominent man in the
state. The murderer is said to have been
insane.

The Fire Record.

By Telegram to THE SENTINEL.

CHARLESTON, W. Va., May 18.—A
large store house at Hancock was
burned Saturday night. Also the post-
office, grocery store and stock. The
store house was owned by Theodore
Miller, and was valued, with the stock,
at \$10,000; insured, \$5,000. The other
buildings were not insured. The total
loss is \$15,000.

SOMERSET, Quebec, May 18.—Somer-
set village was destroyed by fire Satur-
day night and about 100 houses were
burned including the Presbytery church,
foundry and cheese factory. Many per-
sons are in destitute condition.

A City Treasurer Defaults.

By Telegram to THE SENTINEL.

SPRINGFIELD, Ill., May 18.—Consid-
erable excitement is occasioned here by
the circulation of a report that City
Treasurer Presto Wright was a defaulter.
Wright has held the office of city treas-
urer for the past five years consecutively.
At the last election he was not a candi-
date and George Gaston the democratic
candidate, was elected. It was claimed
that Gaston was ineligible, as he had
not lived in the city a year, and Wright
refused to turn over the books and
funds. The council decided Gaston eli-
gible and ordered Wright to turn over
the office. The delay in obeying aroused
suspicion and an examination of the
comptroller's bank account showed a
deficit of \$36,000.

A Cyclone.

By Telegram to THE SENTINEL.

KIRWIN, Kas., May 17.—A cyclone
passed through Rooks county on the
15th about 4 p. m., starting near the
line between Osborn and Rooks coun-
ties at the southeast corner of Medicine
township, and following a westerly
course dealing death and
destruction throughout the pathway
of its entire course. Nearly fifty per-
sons were injured. Among the fatally
injured are Rev. Mr. Grimes, wife and
child killed; a child, name unknown,
fatally injured; Geo. Campbell, mis-
sing, supposed to have been killed; S.
J. Johnson, brother of M. H. Johnson,
banker, of this city, badly injured
by falling timbers in a stable, where
he had taken refuge. The loss at Holl
City and Stockton consists of chim-
neys blown down and window glass
broken by hail. Some hail stones
measured four inches in diameter at
this point, but little damage was done.
The damage in Rooks county will
probably reach \$50,000.

Forest Fires.

By Telegram to THE SENTINEL.

OSWEGO, Mich., May 17. Seven mil-
lion feet of lumber belonging to the
An Sable Company had been destroyed
up to 11 o'clock last night, and at that
time the flames were still raging. This,
in addition to the losses given in last
night's dispatch, will make the loss

enormous, while there is practically no
insurance on the lumber destroyed.

EAST SAGINAW, May 17.—The forest
fires to the west and north are still
raging with unabated fury and much
destruction of property is feared.
Specials from several points along the
line of the Flint, Perre & Marquette
railroad to-day say the fire in many
places along the line has reached the
proximity of the depots and warehouses.
At North Bradley to-day Morrison's
shingle mill and the owners house were
destroyed. The North Bradley rail-
road bridge caught twice but the
flames were extinguished. On the
Barnard branch of the railroad a large
tract of timber has been destroyed and
the fire is still sweeping onward. On
the Harrison branch a large force of
men with engines, have been at work
all day and have succeeded in saving
the railroad property. Similar reports
are received from other points. Unless
rain falls soon great damage will be
caused.

The Liquor Question Again.

By Telegram to THE SENTINEL.

MUSCATINE, Iowa, May 16.—The
Muscatine Daily Journal published this
evening the full text of an important
decision bearing upon an injunction
proceeding under the state prohibitory
law rendered in writing by Judge
French, of the circuit court to-day.
Judge French holds that the first in-
junction proceedings instituted against
a saloon has priority to any other in-
junction. This is regarded as a great
victory for the saloon as sham in-
junction proceedings have been instituted
by the friends of the saloons against
nearly every saloon in Muscatine. The
temperance alliance will appeal the
case to the supreme court.

THE BURGESS ESTATE.

A First Mortgage Deed Given
and the Property Ordered
Sold.

The legal controversy over the Bur-
gess estate culminated this morning in
the circuit court. Judge O'Rourke
granted a decree of foreclosure to H. C.
Paul and C. S. Bash, who held the first
mortgage for \$48,100, recently pur-
chased from the Connecticut Mutual Life
Insurance company. Capitalists in the
First National bank and New Old bank
interested in the mortgage with Messrs.
Paul and Bash. As the court decree or-
ders the immediate sale of the property,
it will go to the holders of the first mor-
tgage, leaving other creditors of Mr. Bur-
gess without a cent. The attorneys of
the first mortgages make a \$2,100 fee in
the case.

The Council Meeting To-night.

The municipal council will convene in
special session to-night to consider the
charges against Councilmen Vordermark
and Wolf and right any wrong done
candidates in counting ballots at the recent
election. A thorough canvass of the votes
for all the officers will be made, and where
error in the count has been estab-
lished, the officer will be declared vacant
and the council will proceed to elect
their choice.

Driving Matinee.

A number of our horsemen have ar-
ranged for a driving matinee on the 9th
of June. Judging from the number of
entries at this time it will be a very in-
teresting occasion. The following horses
have been entered: George B. Berk-
top, Judge Hoadley and Edith Gil-
man. The race will take place on the
fair grounds.

Card of Thanks.

Mr. and Mrs. Anthony Haverly desire
through THE SENTINEL to return their
most sincere thanks to friends and neigh-
bors for the many acts of kindness dur-
ing their late bereavement. Also to Mas-
ter Mechanic Casenave and Foreman
Judy for permitting the shopmen to at-
tend the funeral.

White People Sold as Slaves.

By Telegram to THE SENTINEL.

NEW YORK, May 18.—The Herald
has a story from Key West, by a boy
sixteen years old, to the effect that he
and seven other boys were enticed
aboard the steamer Ella Knight at New
Orleans in September last and taken to
Puerto Barrios, Guatemala, where, with
sixty-seven other boys and men, he was
delivered to J. P. Bouscaren, president
of a railroad company, by John O'Don-
ald, the man who entrapped him at New
Orleans. Bouscaren paid O'Donald \$10
a head for the lot. They were then
searched and all the money and arms
taken from them. The boy intimates
that they were practically sold into
slavery and says when he left there were
only 220 out of nearly 700 in the service.
They were sadly mistreated.

The Escaped Convicts.

By Telegram to THE SENTINEL.

BREKHAM, Texas, May 18.—The latest
advice from Clay's plantation, the scene
of the recent wholesale escape of con-
victs, is to the effect that quite a num-
ber have been captured while others
have surrendered. From these it is
learned that the escape was not a pre-
meditated affair upon the part of the
convicts, and that the two strangers who
instigated and aided in the escape,
brought with them at least twenty re-
volvers and twelve Winchester rifles.
The returned convicts state that it is the
determination of those still at large not
to be captured, and that it will be folly
for the officers to attempt their arrest
without long range guns, unless they
can get them cornered. Twenty or more
of the convicts, still at large, were at
last accounts heading for the Western
Texas and were changing their convicts
clothing at every opportunity. The
country through which they are passing
is thoroughly aroused and news of a
bloody conflict with the outlaws is hourly
anticipated.

A Fight With Cattle Thieves.

By Telegram to THE SENTINEL.

St. Louis, May 18.—A special to the
Post-Dispatch states that the Indian
police and a posse of citizens had a de-
spere fight last Thursday in the Choctaw
nation, Indian Territory, with a
large party driving off several hundred
head of cattle. One desperado was
killed, two others captured and the re-
mainder escaped.

A Life Sentence.

By Cable to THE SENTINEL.

LONDON, May 18.—Judge Hawkins
began the summing up in the case of
Cunningham and Burton, on trial for
treason and felony. E. J. Phelps, the
new United States minister, was in the
court room, dressed in mourning and lis-
tened closely to the judge's charge. Mr.
Phelps seemed to be very much impress-
ed by the stern language of the judge.
The jury returned a verdict finding
both prisoners guilty. They were both
sentenced to penal servitude for life.

LONDON, May 17.—Garibaldi's me-
moirs, a mass of autograph manu-
scripts, have been arranged and
edited. At a family council it was
decided to accede to the request of the
Italian government to delay the publi-
cation of the memoirs until ten years
after the date of Garibaldi's death.

Right Hon John Naish has been ap-
pointed Lord Chancellor of Ireland.
He will be succeeded as attorney-gen-
eral by Right Honorable Samuel
Walker, the present solicitor general.
The latter will be succeeded by Mr.
McDermott.

The Daily News denies that England
has given away to the other powers on
the question of the supervision of the
Suez canal.

CONSTANTINOPLE, May 17.—General
Lew Wallace, ex-United States minis-
ter to Turkey to-day had an interview
of several hours length with the sultan,
during which General Wallace was
asked his opinion in regard to the lead-

ing topics of the day. The sultan of-
fered him a high position in the Tur-
kish service but he declined. General
Wallace intended to leave Constanti-
nople for home to-day but postponed
his departure until Tuesday in order to
accept an invitation to dine to-morrow
with the sultan and the imperial
princesses.

MADEIRA, May 17.—The Imperial an-
nounces the hoisting of the French
flag at several villages in the Spanish
territory, on the Mun river. The jour-
nal is indignant at this violation of
Spanish rights, and urges the necessity
of the governments taking steps to
protect Spanish interests in the Gulf
of Guinea.

SAKIM, May 17.—General Wolseley
has issued a farewell address in which
he announces the withdrawal of the
British troops from Soudan, and highly
praises the conduct of all departments
of service during the campaign.

A Big Strike.

By Telegram to THE SENTINEL.

DETROIT, May 18.—A strike has been
begun by laborers in the brickyards at
Spring Wells, which may result in con-
siderable trouble. This morning the
strikers numbered, three hundred, strong,
and went to the various brickyards, de-
manded that work be stopped. When
men refused they were knocked down.
Higher wages are wanted.

Sporting Matters.

By Telegram to THE SENTINEL.

CHICAGO, May 16.—The wrestling
match between Andre Christol and
James Faulkner for \$500 took place at
Herschen hall to-night. The first fall,
catch-as-catch-can, was won by Chris-
tol at 10:10. At 11:45 the match seemed
likely to last all night, only two falls
having been won. The Gracoe-Roman
bout was won by Falkner in thirty-nine
minutes. Twice the light weight had
the burly Frenchman squarely on his
shoulders, but before the hip could be
brought to the floor, Christol would
suddenly spin around on his head and
land softly on his feet. At midnight
the contestants were still striving for a
third fall, catch-as-catch-can.

Shortly after 12 o'clock Faulkner
won another fall, making him two out
of three, and it was decided on account
of the lateness of the hour to postpone
the other two.

Act of a Discarded Lover.

By Telegram to THE SENTINEL.

LAUREL GAP, Pa., May 17.—Miss
Julia Kramer was shot and fatally in-
jured this morning by Peter Knol-
bauch, a rejected lover. Mr. Kramer
was conversing with William Neuman,
an accepted suitor, when Knolbauch
approached and joined in the conver-
sation. A moment later he drew a re-
volver and sent a ball through Miss
Kramer's head, remarking that he
would either marry her or kill her. A
second shot passed through the young
lady's hand, and a third shot, aimed
at Neuman, did not take effect. Knol-
bauch was arrested and an attempt
was made to lynch him, but the officers
prevented it and he was conveyed to
jail.

ley Chambers, who is charged with the
robbery of an express safe on the
Louisville, New Albany and Chicago
railway on the night of April 29, and
the dangerous wounding of Davis and
Webber, was again placed in jail this
afternoon. A search warrant revealed
the presence of \$140 in Chambers' trunk,
and the bills bore the mark
made by the passage of the express
needle. The facts bearing upon 2

pleasant explanatory note. This and

The Whiskey Business

Please do not confound any of the whiskey bitters which tapers take and

drunkards delight in with that altogether different article, "Brown's Iron Bitters." No taper wants Brown's Iron Bitters, for there is nothing in it to satisfy the craving of his debased appetite. This great iron medicine gives strength and new life, but a mere unwholesome stimulant. Sheriff Ponder, of Washington county, Tenn., writes that after using two bottles of it he was cured of dyspepsia. No "whiskey bitters" could achieve such a result.

How to Display Photographs.

To display photographs put them into a fan-screen. Take a large palm-leaf fan, cover it with any showy material you choose. Put the cover on one side perfectly plain. On the other side lay it on in two or three straight or diagonal folds. Secure it firmly at the edges and bind with gold-colored silk braid or any showy ribbon. If you are skillful in putting on the binding you can leave spaces large enough to hold the new postage stamp "photographs" around the edges of the fan, and the folds are used to insert card-ettes of the cabinet size. The fan may lie upon the table or stand on a shelf. The postage-stamp pictures are so called because they are no larger than a letter-stamp. These are generally taken in medallion or profile, which increases the resemblance to Queen Victoria's head on the mauve-colored English stamps.—Philadelphia News.

justly assessed in order that benefit
might accrue to Allen county landowners.

"It is a thorough knowledge of the natural
laws which govern the operations of digestion
and nutrition, and by a careful application of
the fine principles of well selected Cocoa, Mr.
Epps has provided our breakfast tables with a
deliciously flavored beverage which may save
us many heavy doctors' bills. It is by the ju-

That Tired Feeling

When the weather grows warmer, that
extreme tired feeling, want of appetite,
dizziness, languor, and lassitude, afflict
almost the entire human family, and scru-
pulous and other diseases caused by humors,
manifest themselves with many. It is im-
possible to throw off this debility and expel
humors from the blood without the aid of a
reliable medicine like Hood's Sarsaparilla.
"I could not sleep, and would get up in
the morning with hardly life enough to get
out of bed. I had no appetite, and my
face would break out with pimples. I bought
a bottle of Hood's Sarsaparilla, and soon
began to sleep soundly; could get up with-
out that tired and languid feeling, and my
appetite improved." E. A. HAYMOND, Kent, O.
"I had been much troubled by general
debility. Last spring Hood's Sarsaparilla
proved just the thing needed. I derived an
immense amount of benefit. I never felt
better." H. F. MILLET, Boston, Mass.

Hood's Sarsaparilla

"For seven years, spring and fall, I had
serious nervous come out on my legs, and
for two years was not free from them at
all. I suffered very much. Last May I began
taking Hood's Sarsaparilla, and before I had
taken two bottles, the sores healed and the
humors left me." C. A. ARNOLD, Arnold, Me.
"There is no blood purifier equal to Hood's
Sarsaparilla." E. S. PHILLIPS, Rochester, N.Y.
